Re: Digital Billboards

Dear Mayor Garcetti, Councilmembers and City Attorney Mike Feuer:

The Glassell Park Neighborhood Council would like to reiterate its opposition to digital billboards in areas outside designated signage zones, and specifically to the two digital billboards that Lamar Advertising plans to erect in Glassell Park at 3810 Eagle Rock Boulevard and 3017 San Fernando Road.

We greatly appreciate your efforts to prevent these affronts to our neighborhoods, and support you in your appeal of the recent ruling in Lamar Advertising's favor. Our concern is that the company will use this appeal period to proceed with their plan to place these eyesores atop buildings that are within our Community Design Overlay which was put in place precisely to discourage this kind of visual blight.

The Glassell Park Neighborhood Council strongly opposes digital billboards in our area, and asks that you continue to do everything possible to prevent Lamar Advertising from flagrantly dismissing our community's efforts toward improvement.

Thank you,

Molly Lynn Taylor, Chair  
Glassell Park Neighborhood Council
