Los Angeles, CA 90042

Re: Electronic Marquee

Dear Mr. Rodriguez and Mr. Ilomin:

The Glassell Park Neighborhood Council hereby requests that Council District 1 fulfills its responsibility to the community of Glassell Park by creating and implementing a plan to repair the electronic marquee located on the outside of the Glassell Park Community and Senior Center.

The electronic marquee is an important outreach tool for the GPNC, the Glassell Park Improvement Association, the Dept. of Recreation and Parks, including its programs for seniors, and others interested in reaching the thousands of residents who use that intersection daily.

The electronic marquee has been out of service for many months, and it is not only broadcasting its technical information which could lead to hacking; but it is also wasting electricity.

While we appreciate Mr. Ilomin's personal efforts to turn off the marquee, it is past time to bring in a professional service to repair it.

Please let the Glassell Park Neighborhood Council know the status of our request and provide a timetable for giving a functional electronic marquee back to the community.

Thank you,

Molly Lynn Taylor, Chair
Glassell Park Neighborhood Council
