Re: dog park amenities

Dear Mr. Rodriguez, Mr. Ilomin and Mr. Gutierrez:

The community of Glassell Park does not have an official dog park, but we are home to a lot of dogs. Glassell Park residents often walk the grounds of the Glassell Park recreation center with their dogs, in particular, the mini-park between the community center and the pool, but often they do not clean up after their animals.

Los Angeles Municipal Code (LAMC Sec 53.49) requires that dog defecation be removed by owners immediately, however, there are no receptacles in this area. Part of the problem could be that there are no trash cans, signage or bags that serve as a reminder to clean up after your pets.

The Glassell Park Neighborhood Council would like to work with the Office of Councilmember Cedillo and Department of Recreation and Parks to purchase dog waste stations to be placed around the park. We'd like to request the purchase of these stations, as well as assistance to have them installed around the recreation center and fields.

Thank you,

Molly Lynn Taylor, Chair  
Glassell Park Neighborhood Council
