Marcie Edwards, General Manager  
Dept. of Water and Power  
PO Box 51111  
Los Angeles, CA 90051-0100

Dear Councilmembers and Ms. Edwards:

The Glassell Park Neighborhood Council has been a supporter of the Glassell Park Holiday Tree Lighting since the annual event began. The holiday event is an opportunity for the community to come together in the spirit of the season and one that we'd like to continue to support.

For the past seven years, the Glassell Park holiday tree's lights have been powered by a temporary power pole rented from Andy Gump and paid for by the Glassell Park Neighborhood Council.

Originally the temporary power pole was installed and removed every year at a cost to the Glassell Park Neighborhood Council; and, as the holiday tree lighting became an annual event for Glassell Park, the "temporary" power pole became a permanent fixture in the Eagle Rock Boulevard median.

While there have been conversations with Council District One about finding a better way to provide power on the median, we are now submitting an official request to partner with LADWP, Council District 1 and Council District 14 to secure a permanent, less unsightly, power source at this high-traffic site in Glassell Park.

We believe that in working together, we can seize this opportunity to improve our community for years to come.

Thank you,

Molly Lynn Taylor, Chairperson  
Glassell Park Neighborhood Council  
Area 4 Representative
