Council File 15 - 0050

Honorable City Council  
c/o Office of the City Clerk  
Los Angeles City Hall  
200 North Spring Street, Room 395  
Los Angeles, CA 90012

The Glassell Park Neighborhood Council requests that the following Community Impact Statement be attached/added to Council File 15 - 0050 regarding the issue of amending the building code by an ordinance to require new cellular communications towers to be constructed to satisfy the requirements of an “Importance Factor” of 1.5.

**COMMUNITY IMPACT STATEMENT**

The Glassell Park Neighborhood Council SUPPORTS this proposed issue because here, in Northeast Los Angeles, we have seem to have a proliferation of requests for new cellular communications towers. The possibility that any of these towers, generally located in high-density areas, could fall or collapse during an earthquake is something that should be remedied as soon as possible.

This Community Impact Statement is based on the action taken at the regularly scheduled Board of Directors meeting on February 17, 2015, when the Glassell Park Neighborhood Council adopted the following motion by a vote of \_\_\_ yes, \_\_\_ no, \_\_\_ abstaining and directed that a Community Impact Statement be filed reflecting its position.

Motion: “The Glassell Park Neighborhood Council urges the Los Angeles City Council to pass Planning & Land Use Management Committee motion 15 - 0050 presented by Councilmember Bob Blumenfield and Seconded by Councilmember Joe Buscaino.”

Sincerely,

Marge Piane (gpnc.margepiane@gmail.com)
