Council File 15-0403

Honorable City Council  
c/o Office of the City Clerk  
Los Angeles City Hall  
200 North Spring Street, Room 395  
Los Angeles, CA 90012

The Glassell Park Neighborhood Council requests that the following Community Impact Statement be attached/added to Council File 15-0403 allowing the Los Angeles River Revitalization Corp. the right to apply for Proposition A Cities Excess Funds in the amount \$333,000.00 in the Third Supervisorial District for use in completing the La Kretz Crossing Project.

**COMMUNITY IMPACT STATEMENT**

The Glassell Park Neighborhood Council SUPPORTS this issue because this bridge will provide connectivity from the river path that borders our community to Griffith Park; in addition, it is our hope that completion of this bridge will produce momentum to begin construction of the pedestrian/cycling bridge proposed to cross the Los Angeles River between Elysian Valley and the Rio de Los Angeles State Park.

This Community Impact Statement is based on the action taken at the regularly scheduled Board of Directors meeting on April 21, 2015, when the Glassell Park Neighborhood Council adopted the following motion by a vote of 9 yes, 0 no, 0 abstaining and directed that a Community Impact Statement be filed reflecting its position.

Motion: “The Glassell Park Neighborhood Council urges the Los Angeles City Council to allow the Los Angeles River Revitalization Corp. the right to apply for Proposition A Cities Excess Funds for use in completing the La Kretz Crossing Project .”

Sincerely,

Marge Piane (gpnc.margepiane@gmail.com)
