Council File 14-0078-S6

Honorable City Council
c/o Office of the City Clerk
Los Angeles City Hall
200 North Spring Street, Room 395
Los Angeles, CA 90012

The Glassell Park Neighborhood Council requests that the following Community Impact Statement be attached/added to Council File 14-0078-S6 that asks the City Council to approve directing the Bureau of Sanitation, Dept. of Building and Safety and the DWP to evaluate and report on the feasibility of redirecting discharge from dewatering operations toward onsite non-potable uses, or to route such discharge to sewer lines and not to storm drains.

COMMUNITY IMPACT STATEMENT

The Glassell Park Neighborhood Council SUPPORTS this Motion because conservation of water, by all means possible, is of benefit to the City and, therefore, to our community.

This Community Impact Statement is based on the action taken at the regularly scheduled Board of Directors meeting on May 19, 2015, when the Glassell Park Neighborhood Council adopted the following motion by a vote of 7 yes, 0 no, 0 abstaining and directed that a Community Impact Statement be filed reflecting its position.

Motion: “The Glassell Park Neighborhood Council urges the Los Angeles City Council to approve this Motion direct the Bureau of Sanitation, Dept. of Building and Safety and the DWP to jointly report on the feasibility of reclaiming discharge from dewatering operations either by redirecting for onsite use or to sewer lines.”

Sincerely,

Marge Piane (gpnc.margepiane@gmail.com)
